Emile Egger & Cie SA is a medium-sized, independent and family owned Swiss industrial enterprise specialized in designing and manufacturing of pumps and Iris diaphragm control valves.

In this role you will be responsible for ensuring the smooth running of the Emile Egger Group IT Infrastructure in close collaboration with other IT Team members and the CIO. You will have the opportunity to work in a global environment and develop. To reinforce our IT Department at our Swiss Head Office in Cressier NE, we are looking for a motivated :

IT Technician L1 & L2 - 100% (m/w)

Responsibilities :

- Providing IT support (Level 1 & 2) for local and remote sites
- Installing and deploying end user Devices (Laptop/PCs/Tablets/Monitors)
- Installing and maintaining Meeting Room Devices
- Installing Phone devices (Alcatel PBX)
- Occasionally managing some Server Services (Active Directory, DHCP, DNS, Folder Permissions)
- Managing the Daily Backups
- Participating in current and future IT Projects with the IT Team
- Ensure IT security's best practices are followed

Profile :

- Federal Certificate in IT or equivalent
- Fluent in French and English (written and spoken) – German is a plus
- Strong knowledge in Microsoft Windows ecosystems
- Basic knowledge with switches, routers, MPLS, Wi-Fi, Sophos Firewalls and backup/storage.
- Basic skills in Server environments (VMWare, Windows Server, Linux)
- You have good analytical, organisation and problem solving skills
- Show your sense of responsibility and team player attitude
- You are autonomous and have good communication skills
- Available for occasional trips within the Egger group subsidiaries

Good to have :

- Basic Knowledge of Powershell and scripting
- Basic Knowledge of Sophos products (firewall and anti-virus)
- Office 365 knowledge

Workplace : Cressier / NE

Start of employment : Immediately or to be agreed

We look forward to receiving your application containing the usual documents at rh@eggerpumps.com
